

Position: Infrastructure and Security Intern

Reporting to: Infrastructure and Security

Location: Richmond Hill, ON (hybrid)

The Role:

The *Infrastructure and Security Intern* will assist the Infrastructure and Security team on various projects tied to Business Continuity—an overarching priority for the team in 2024.

This role will be full-time hours (37.5 hours per week), for a duration of 4 months (May 6 to August 23, 2024).

What the Role Entails:

- Provide analytical support via hands-on Excel work while leveraging other tools as necessary (SQL, etc.)
- Actively participate in daily security operation calls to promptly identify, prioritize, and investigate security incidents
- Contribute to security compliance efforts for both accounts and endpoints
- Work on Business Continuity activities that include helping to interview business leaders for business impact assessments, documenting recovery actions, and support with monitoring progress
- Support the registration of all Compugen assets in Intune for streamlined asset management
- Assist in the investigation of basic security incidents to improve overall cybersecurity measures
- Conduct cleanup in Active Directory in preparation for the transition to Azure AD
- Support in the migration of remaining on-premises Exchange mailboxes to O365
-

Skills and Qualifications You'll Bring:

- Good understanding of cybersecurity concepts and Active Directory accounts
- Solid working knowledge of Windows 10/11 operating systems
- Experience with Azure; AZ500 or other Azure courses are an asset
- You must be comfortable working in a hybrid work model with a combination of remote plus onsite work

About Compugen

Compugen is one of Canada's largest privately-owned Technology Allies. We help customers design, acquire, integrate, and operate technology. Our mission is to help organizations realize new possibilities. Every day, our dedicated staff across North America focus on providing extraordinary customer service and support experiences to private and public sector organizations. We combine breadth of skill, depth of expertise, and commitment to operational excellence at scale to deliver exceptional, customer-focused experiences.

If you are driven to make a difference, relentlessly curious, and collaborative at the core, we'd love to talk to you. Join us and let's make a difference.

What You'll Love About Us:

Every day, over 1,500 dedicated employees across Canada focus on providing exceptional customer service and support experiences to private and public sector organizations. Since 1981, the Compugen team has developed a strong reputation with market-leading vendors and customers, for creating, implementing and supporting innovative IT solutions that delight thousands of customers.

We value and celebrate the diversity of our team and welcome applications from racially visible persons, Indigenous peoples and persons of the LGBTQ+ community.

Most importantly, we love to work hard, and we love to have fun. We're in it to win it.

Equity Statement

Consistent with our commitments to equity and diversity, we actively recruit from all designated groups. We also provide employment accommodation upon request to current staff members and to applicants during the recruitment process. We aim to provide a work environment where excellence is allowed to flourish and diversity is prized. Compugen is committed to providing accommodation throughout the interview and employment process. If you require an accommodation, the hiring manager and the human resources contact will work with you to meet your needs.

To apply, submit a detailed resume to internships@compugen.com, including the name of the position you are applying for in the subject line.
